The screenshot shows a web-based document management interface. At the top, there's a header with the logo 'Online Encodage' and 'Powered by Brightmatrix'. Below the header, a navigation bar shows 'Accueil > Documents'. A dropdown menu for 'Entreprise' is set to 'Belgium NV'. The main area displays a list of documents with their names and download icons:

- liste-contact.pdf
- Berichtsfontoelche\_IKANB11.pdf
- SWD-2024-Onderneemt.pdf
- WPF\_NL\_2016-1-Kant.pdf
- Wimse-NL.docx

A green button at the bottom right says 'Télécharger sélection (0)'.
